PRESENTATION

TUNISIA EXPORT- CEPEX is a governmental institution operating under the umbrella of the Ministry of Trade created in April 1973, lies within the context of the government plan for providing support to the private sector and operates within the scope of the national objectives for the promotion of Tunisian exports.

Our missions True to its original duty as promoter of exports, focusing primarily on companies and their concerns, CEPEX's focal mission is to assist Tunisian exporters and foreign operators through all the phases involved in the commercial transaction process and provide them with a wide range of customized services
